

In the community

Baby Bottle Fundraiser is kicking off in May!

What is the baby bottle fundraiser?
If you haven't participated in our Baby Bottle Fundraiser before, it's a simple yet powerful way for individuals, families, churches, and businesses to support the life-saving work of You Medical. Participants take home a baby bottle from a participating church and fill it with spare change, cash, or checks over the course of several weeks. What may seem like small contributions quickly add up to make a significant impact for women and families in our community.

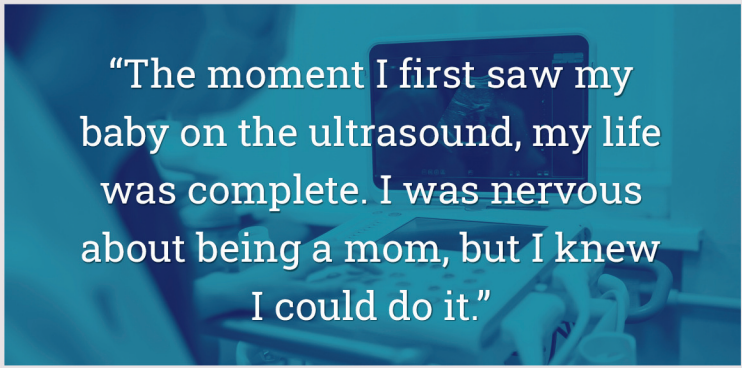

- How you can prepare for the kickoff?**
- Check with your church to see if they are participating and how you can get involved.
 - Invite your small group or Bible study to take part in the fundraiser together.
 - Share the opportunity at your workplace by bringing flyers or mentioning it to coworkers.
 - Pray for the campaign—for the women and families who will be served through these funds, and for the generosity of our community.

Contact us to participate.
For flyers, videos, and more information, visit:
www.supportyoumedical.org/baby-bottles

My church is not participating...

TRI-CU CREDIT UNION
3213 W. 19th Ave,
Kennewick, WA 99337

If your church is not participating, **TRI-CU Credit Union** is a pick-up and drop-off location this year from April 13th through June 21st.

Inspiration

Ultrasound appointments make a difference

A national survey of pregnancy help clinics found that among abortion-minded patients who received ultrasound confirmation of pregnancy, 78% chose to carry to term after seeing the ultrasound image. Respondents overwhelmingly reported that ultrasound confirmation had a positive impact on a mother's decision.

- What a Limited OB Ultrasound Can Confirm**
A limited OB ultrasound provides three key pieces of information:
- Gestational age: Knowing how far along the pregnancy is helps determine options.
 - Pregnancy location: An ectopic pregnancy, if your pregnancy is developing outside of the uterus, requires immediate treatment to prevent complications.
 - Viability: An ultrasound screens for a heartbeat. If a pregnancy has ended naturally, you've had a miscarriage, may require medical attention.

New Beginnings Thrift Fundraiser Results

A big thank you to our friends at New Beginnings Thrift Store for partnering with You Medical during their recent donation drive! We're also so grateful to everyone who donated items to make it a success. Together, you helped fill 10 large 4 foot boxes, and for each box filled, New Beginnings generously made a cash donation to You Medical. Your support helps us continue serving women and families in our community.

Invite a friend to our Community Open House 4.30.26

The event is open to the public and is ideal for donors, church partners, medical professionals, business leaders, and anyone interested in learning more about You Medical's mission. Light refreshments will be provided.

For more information or to RSVP for the event on our Facebook page (optional), scan the QR code above or contact us at 509-491-1101.

Thursday, April 30, 2026 / 5pm-7pm

FALL GALA ANNOUNCEMENT
The date is set and we are very excited about this year's annual Fall Gala!

BABY BOTTLE FUNDRAISER UPDATE:
See how you can prepare for the kickoff and get others involved!

A devotional of encouragement

Hope on the Fontlines

Those involved in pregnancy center ministry see and hear things most people never do.

We hear the fear in a young woman’s voice. We see the pressure she’s under. We know the statistics. We watch cultural trends move further away from life.

And lately, one of the biggest issues is the growing use of the abortion pill. It can feel like the landscape is shifting so quickly that the problem is becoming too big to overcome. But Scripture reminds us of something important: God has never been intimidated by large problems.

SAVE THE
date
**ANNUAL
FALL GALA**
SATURDAY SEPTEMBER 19

Our keynote
speaker is...

We invite you to join us for the You Medical Annual Fall Gala, a night dedicated to celebrating life and the incredible impact happening in our local community.

Together we will reflect on the stories of hope, hear how lives are being transformed, and look ahead to the future. Your support allows You Medical to continue offering compassionate pregnancy related medical services to families facing unexpected pregnancies. Be part of an evening that truly makes a difference. Oh, you didn’t think we were going to reveal the speaker yet, did you? :)

News & Events

What do Pregnancy Centers actually do?

Pregnancy clinics are under increasing attack. Why? The most obvious answer is their effectiveness in saving lives. Watch the compelling **podcast video** and view the **pdf report** (follow the QR codes or shortlinks), as the hosts address common misconceptions about pregnancy clinics and demonstrates the wide range of services and support they provide. Through honest conversations and heartfelt stories, you'll see how pregnancy clinics aim to empower women with information, resources, and compassionate care. Ultimately, the message is one of hope. Behind every statistic is a real person and a real story. Pregnancy clinics across the country continue to serve on the frontlines, offering guidance, support, and a reminder that no one has to face an unexpected pregnancy alone.

Huge Impact

Despite ongoing misinformation and criticism, clinics like You Medical are making a lasting impact in the lives of women and families across the country. We are grateful to stand alongside thousands of pregnancy clinics nationwide that faithfully provide compassionate care every day.

Together, these centers are seeing incredible fruit from their efforts to serve women facing unexpected pregnancies. The following statistics come from a national survey of 2,775 pregnancy clinics during the 2024 calendar year, highlighting the remarkable impact being made through this work.

1 million New clients served

636,514 Ultrasounds performed

98 percent Client satisfaction rate

397,616 Clients attending Prenatal - Parenting Education Programs

24,363 Clients receiving After-/Post Abortion Support

Let us not grow weary of doing good, for at the proper time we will reap a harvest if we do not give up.

- Galatians 6:9

PASTOR SPOTLIGHT

JONATHAN SMITH
COLUMBIA BIBLE CHURCH

Jonathan serves as pastor at Columbia Bible Church in Kennewick, where he has the joy of teaching the Bible and making disciples of Jesus Christ alongside his church family. His wife, Hannah, volunteered at You Medical for several years, and together they have been grateful for the opportunity to pray in-clinic weekly with us and partner in supporting LIFE in the Tri-Cities for the past nine years. Jonathan and Hannah remain deeply encouraged by the work being done at You Medical.

Jonathan grew up in the Middle East where his family was involved in ministry. He loves to spend time with his wife and their four children.
